

# STAFF LED SCHOOL CLUBS

We are offering clubs this term to the children in Year 1 to Year 6 and hope that you will make the most of these great opportunities. Our clubs range from gardening to gymnastics – have a look at the clubs list on the other side of this page.

**All of these clubs are led by staff members.**

If you would like your child to be considered for a place in a school club for the Summer Term 2017, please tick the appropriate boxes in the grid on the other side of this page and return to the School Office by Friday 31<sup>st</sup> March at the latest!

**Forms returned after this date may not be accepted.**

**Please do not send any money with this letter. Confirmation of your place will be sent to you. Only at that point payment and contact details will be required.**

**Each club will run for a minimum of 8 weeks. If your child is accepted into a club, a letter will be sent to explain when it will be starting.**

**Please be aware that different clubs will run on different weeks – the club leader will let you know on a weekly basis if it will be on the following week. They will also let you know when the last session will be.**

We would like these clubs to be available for all children in our school. If your child comes by Barnet transport or has a 1:1 assistant and would like to attend a club please see Miss Napthine or Mrs Lazarus.

If you have any queries or concerns about our staff led clubs, please feel free to come and speak to me.

Have a clubtastic term!

Miss Thompson
