Dear Parent/Carer,

As you know, your child has been learning to play the clarinet as part a whole class clarinet project, I am writing to confirm what happens next. I hope everyone has enjoyed the Spring Term's project terms and learned not only knowledge of the instrument but an appreciation for music that can only be gained from playing a musical instrument.

We would like to give pupils the opportunity to continue to learn next term by offering lessons in small groups on a weekly basis. For those pupils that decide to continue we would start them on their structured musical education which could lead to them being entered for the first of the Grade examinations that are set by the Associated Board of Royal Schools of Music.

The lessons will be in small groups and these will be chargeable. There will also be a small charge for the hire of the instrument that they will learn on.

If you are interested in your child continuing with lessons please fill out and return the slip below as soon as possible.

Kind regards

Linda Shirm
