Dear Parents and Carers

RE: Transition to year 4

This summer we will be introducing a new year 3 initiative to Colindale Primary, that has worked very successfully in other schools. We are intending to re-group the children and create three classes where there is a clearer balance of boys and girls, range of abilities and needs. This will also offer the opportunity for the children to form new friendships and create a more cohesive year team.

Over the next few weeks the children will be taking part in a range of activities in various groups, so we can see how they work together. When we re-group the children we will of course consult them and take into account their current friendships.

Once we have finalised the classes for September you will of course be informed.

If you have any questions please don't hesitate to contact either Mrs Averbroom or myself. As always the care and progress of your children's learning remains our top priority.

Yours sincerely

Lucy Rodgers
