Barnet Specialist Inclusion Services and Barnet Parent Carer Forum

PARENT TRAINING – ‘The Importance of Parent Participation’

Participating in the SEND processes throughout your child’s education

Date: Wednesday 13th September Time: 10am – 1:30pm

Venue: BEST HUB (Colindale, NW9 5FN)

Overview

The Barnet Specialist Inclusion services and the Barnet Parent Carer Forum will together be running a **free** training event for Barnet Parent Carers.

The training will inform parents of children and young people (C/YP) of the SEND processes and how they can participate in decision making at the different stages.

The training will highlight how parents can utilise their skills and experience to be effectively involved in discussions about their child’s individual needs, provision and their future. There will also be a focus on how parents can use their experience to improve local processes and services for all CYP with SEND

The aim is for parent carers who attend the training to gain an increased awareness of the SEND processes and the confidence and skills to participate in decisions about their child so they are a real **partner** in shaping their child’s education.

There will be relevant professionals from Barnet SEN and Inclusion teams to support the training and answer any questions parents / carers may have.

Further information on the venue and directions can be located by clicking the following link:
