The Little Rainbows Nursery is an addition to our 3-form entry, multi-cultural primary school in the heart of Colindale in north London, with a 39 place nursery and an additional resource base for pupils with physical disabilities. Our inspired school building reflects our ambition to work creatively to build a better future for all our pupils, our parents and our staff.

Our children are well behaved, polite and respectful towards each other. They are motivated in their learning and have good relationships and high aspirations. Parents are supportive and keen to work with the school to enhance their children's learning and achievement.

Our strong emphasis on professional development, shared leadership and innovation are at the heart of what we do. We are committed to safeguarding and promoting the welfare of children and expect all staff and volunteers to share this commitment.
