

Music development plan summary: Colindale Primary School

Overview

Detail	Information
Academic year that this summary covers	2025-2026
Date this summary was published	September 2025
Date this summary will be reviewed	September 2026
Name of the school music lead	Emma Hurn
Name of school leadership team member with responsibility for music (if different)	
Name of local music hub	Barnet Education Arts Trust
Name of other music education organisation(s) (if partnership in place)	

This is a summary of how our school delivers music education to all our pupils across three areas – curriculum music, co-curricular provision and musical experiences – and what changes we are planning in future years. This information is to help pupils and parents or carers understand what our school offers and who we work with to support our pupils' music education.

Part A: Curriculum music

This is about what we teach in lesson time, how much time is spent teaching music and any music qualifications or awards that pupils can achieve.

Music is taught in class every week and is informed by the Model Music Curriculum (March 2021).

Each year group receives between 30 minutes and 45 minutes of music lessons each week. Lessons are taught by class teachers or a music specialist. Teaching is supported by a bespoke music curriculum which includes aspects of the Charanga music scheme, the Sing Up music scheme and ensemble music lessons.

Pupils with SEND participate in all music lessons. Adapted instruments are provided where necessary.

Pupils in years 1-6 learn to sing and play the glockenspiel during Charanga Music lessons.

Pupils in year 3 learn an instrument as a whole-class ensemble taught by music specialists from Barnet Education Arts Trust. This project lasts 10 weeks and culminates in a concert where pupils perform to an audience.

Pupils in EYFS have opportunities to explore and play musical instruments and sing songs and rhymes each day through continuous provision activities.

Pupils in years 1-6 participate in a 20-minute weekly singing assembly.

Part B: Extra-curricular music

This is about opportunities for pupils to sing and play music, outside of lesson time, including choirs, ensembles and bands, and how pupils can make progress in music beyond the core curriculum.

We currently offer individual peripatetic lessons through BEAT.

Our Key Stage 2 Choir rehearses once a week for a variety of performances throughout the year. All choir lessons are free.

Pupils have the opportunity to join a band through our Rocksteady Music School band lessons. Pupils can learn to sing, play the electric keyboard, drums or guitar.

Pupils can participate in small group guitar and ukulele lessons with a peripatetic music teacher.

Individual and small group lessons are funded by parents. The school offers bursaries for children entitled to Pupil Premium.

Pupils have the opportunity to join the BEAT Music Academy which offer a wide variety of music sessions such as the Academy Choir, ensembles and bands.

Part C: Musical experiences

This is about all the other musical events and opportunities that we organise, such as singing in assembly, concerts and shows, and trips to professional concerts.

Throughout the year, children have a number of opportunities to join in musical events both in and outside of school.

In Years 1-6, children perform songs in their Class Assembly. Class Assemblies are held every Friday.

Children perform the songs they have learnt in singing assemblies to the Senior Leaders on a regular basis.

Children sing as a whole school (year 1-6) in our annual Harvest Assembly and Christmas Carol Concert.

Reception and Nursery children perform Christmas songs to their parents.

Children in Year 2 participate in the annual Infant Music Festival.

The KS2 choir perform in the Young Voices Concert at the O2 Arena and the Barnet Music Festival every year. They also sing Christmas carols for Barnet Council to raise funds for charity each year.

Children in the Rocksteady Music Bands perform to the whole school twice annually.

There is an annual Talent Show, where children perform musical instruments and songs to the whole school.

Children in Year 6 perform songs in their Graduation Ceremony and Year 6 End of Year Production.

Year 3 children perform in a concert at the end of their 10 week music ensemble lessons.

Each year, we invite musicians to perform live music. E.g. Playground Proms string quintet, steel pans, Lunar New Year percussion.

In the future

This is about what the school is planning for subsequent years.

To continue to evaluate our Charanga curriculum: monitoring the quality of teaching and learning in KS2 music lessons.

Ensure there is progression in musical skills: listening, performing, composing.

To further embed the teaching of musical vocabulary in curriculum music lessons.

Provide more opportunities for children to attend and enjoy live music performances.
