

# YOU'RE IN THE DRIVING SEAT.

## Parents Open meetings

19th December - morning & afternoon  
9:15am & 5:30pm

Thank you for previously showing an interest in helping to start the 1st Colindale Scout Group & for volunteering to give some of your time to support it by getting involved in one exciting role or another.

Come along to one of our additional parents open meetings to hear, first hand, what is involved & how you can help.

Ask as many questions as you like & find out how you can take your first steps on a new adventure.

Children are not expected to attend this meeting.
