

Head Teacher: Lucy Rodgers

Deputy Head: Wendy Wayland

11th March 2020

Dear Parent/Carer

As a school community it is important that we remain calm and sensible during this current coronavirus outbreak. As a school we receive daily updates from the Department for Education with advice from Public Health England which we follow and act upon. It would not be right for us to react to news stories, internet rumours or general hearsay on such an important matter and we would urge you to do the same and to not be panicked by such things. The government has a clear strategy to manage this outbreak and it is important that we all play our part in that management by following their advice and instructions, which as a school we are.

It is only natural to be concerned though and in recognition of this the DfE has opened a special coronavirus helpline for parents, staff and young people to call should they have concerns or questions about COVID-19 in relation to education and children's social care. The details are as follows:-

Phone: 0800 046 8687

Email: DfE.coronavirushelpline@education.gov.uk

Opening hours: 8am to 6pm (Mon – Fri)

Please be assured that should the advice we are receiving change then we will act upon it and communicate this to you.

Best regards

Lucy Rodgers
