Dear Parent/Carer

Further to yesterday's update the government have extended the advice to people who display either of the following symptoms:-

- A high temperature (37.8 degrees and above)
- A new, continuous cough.

Should your child or any member of your household display either of the above symptoms then the entire household is to self-isolate for 14 days. Do not bring your child to school during this period even if they themselves do not develop either of the above symptoms.

If they are well enough to work, then you can access the **Home Learning** page of our website where there is a wide variety of activities they can be getting on with. You can access the page [here](#) , all you then need to do is select the year group that your child is in. Should your child have any problems logging in to their account then please contact the school office either by phone 020 8205 8706 or email office@colindale.barnetmail.net

The events that are not now going ahead as planned are:-

- Everyone Reads (Every Friday)
- Church Trip (For year 2)
- Book Fair (This week)
- Head & Deputy Head coffee mornings
- Class assemblies **5N, 4R, 4B**
- Parent Champion meetings
- Reception Open Lessons
- Tom Palmer writing workshop (RAF Museum)

If there is an event not on the above list that you are planning to attend, please contact the school office to check if it is still going ahead.
