Bank Reconciliations

The LA finance staff perform the bank reconciliations on the school bank accounts upon receipt of the bank statements. The statements are reconciled against the bank balances on the accounts package. The Headteacher or Deputy Head checks and authorises these reconciliations. The monthly bank reconciliations are sent electronically to the LA and the printed reconciliation sheets are kept in the Finance Office to prove checks have been made. Statements are filed in statement number order and are kept in the Finance Office.
