

Head Teacher: Lucy Rodgers

Deputy Head: Wendy Wayland

11.09.2018

Dear Parents,

I am delighted to announce that the Parents' Support Group will be back up and running again once a month and the first will be taking place on Tuesday 2nd October from 9 am to 10 am in the Family room.

We would like to invite any parent in school who has a child with special needs or any difficulty.

Your child may have:

- a physical difficulty
- a learning need
- an emotional difficulty

Your child may have a sibling who is not in this school with a difficulty, and we would welcome you to our group as well.

The aims of this group are as follows:

- parents to meet up with one another to have a cup of coffee and share experiences
- parents to get support from one another and talk about the daily challenges you face
- parents to help one another with organisations and agencies who have helped you in the past
- school to provide information about what we are doing to support your child
- visiting professionals, such as speech therapist, to explain their role at Colindale School

We will insist that anything discussed at the group will be treated in the strictest confidence.

You are welcome to bring along a friend or interpreter.

If you have any questions, please do not hesitate to get in touch.

As the new Special Educational Needs Coordinator (SENCO), I am really looking forward to working with the parents and children at Colindale and am looking forward to meeting you on the 2nd.

Tamesin Bianco
