

INTERNATIONAL SINGING

ASSEMBLIES

Can you sing songs in different languages?

Would you like to teach a song in a different language in our singing assembly?

We would love to have parents and children singing songs in different languages and teaching them during our KS1 and KS2 singing assemblies.

If you are interested, please contact Mrs Marshall or Mrs Martinez via the school office.

We look forward to having many amazing performances to celebrate the diversity in our school.

COME SING WITH US!
