Dear Parents and Carers,

During the challenging times we are experiencing, I want to take the opportunity to write to you on behalf of the Governing Board of Colindale Primary School.

After such a long time out of school, I am pleased that the children have settled so well into their new classes and with their teachers, assistants and of course with the new health and safety routines.

I want to thank all parents and carers for adjusting to the new arrangements implemented under the risk assessments that were made to help the school stay as safe as possible during this pandemic. As with all schools and educational settings, there are no options other than for all of us to follow all guidelines if we want to stay healthy and stay open.

Naturally, I am aware that you may be experiencing a number of inconveniences. However, we all know that these measures are only for the safety of the children, families and staff. Hopefully, we can go back to normal before too long.

Finally, I must thank all staff for their hard work and dedication which has enabled school to open as safely as possible.

With kind regards

Sheila Franks
Chair of Governors
