

Head Teacher: Lucy Rodgers

Deputy Head: Wendy Wayland

18th July 2018

Dear Parent/Carer

From September the price of school meals will increase to £2.34 per day. The price increase has been introduced by the school meal provider and is beyond our control. We do believe this still represents good value and would recommend school meals as a great way of ensuring your child receives a healthy balanced diet.

We have noticed though that a number of parents have allowed their accounts to run into arrears this term so from September all meals must be paid for in advance. Therefore if you wish your child to have school meals please ensure that their account has sufficient credit to cover the cost of the meals. If you have insufficient credit on your account for school meals you will receive a message requesting that you credit your account so school meals can continue to be taken or send your child in with a packed lunch.

Please ensure you have cleared any outstanding balance on your account before the end of term to avoid the possibility of having your account passed to our Debt Collecting Solicitors for recovery and the imposition of further charges. If you are unsure of your balance or if you feel it is wrong then please contact the School Office on 020 8205 8706.

Yours sincerely

Lucy Rodgers
