Emma Hurn and Sarah Robertson

December 16th 2020

Dear Year 1 Parents and Carers,

RE: VISION AND HEARING SCREENING in Year 1

The hearing and vision screening programme which takes place every year in schools across the country for children in Reception, had to be cancelled earlier this year due to the Covid 19 national lockdown. The good news is that this service is going to be resumed early in the new year.

Please make sure you follow the link below to read more information about the screening that will take place in our school on the 25th, 26th and 27th of January 2021 and also to register your child for the screening. You **must** register if you want your child to have the vision and hearing test and also if you do not want them to. If you do not want your child to have the vision and hearing screening, once you have registered you will be given the opportunity to opt out. If you do not opt out the nurses will assume that you are happy for your child to be screened.
