COVID-19 update for parent accessing the temporary school service

Monday 23rd March 2020

Dear Parents and Carers,

During this period, we want to reassure you that whilst your child is at school, we are maintaining high levels of hygiene and making sure that whenever possible the children and adults keep a safe distance between each other. During this period the children will:

- not be expected wear uniform as their clothes will need to be washed daily
- need to bring in PE kits and swimming kits (from year 2 up) every Tuesday and Thursday
- need a labelled water bottle

At the end of the day (3:15pm) all children will be collected from the main entrance. Please do not come inside the school building, we will bring your child/children out to you.

We are considering staying open during the upcoming Easter Holidays. The school will **only be open for children of key workers** so that they can continue to work. If this is something you would need please could you let the school know by email, by phone, or in person by **Friday 27th March**.

Yours sincerely

Lucy Rodgers, Headteacher
