

Year 2 London Home Learning Activities

Science
Investigate materials at home. Find out what different objects in your home are made of. Can you change the shape of these objects by twisting or pulling them?

hard not easily broken or pressed A hard diamond	squashy easily crushed or squashed The play dough is squishy.	smooth no sharp and regular surface These smooth pebbles.
absorbent able to soak up liquid The sponge is absorbent.	bumpy uneven, raised patches This road is bumpy.	opaque cannot be seen through This is opaque by the opaque colour.
dull lacking shine or brightness The marble ranges in dull.	brittle hard, but may break easily The glass is brittle.	translucent allowing some light to pass through The colour is translucent.

History
Write a newspaper report about The Great Plague.

**THE GREAT PLAGUE OF LONDON
1665 – 1666**

Geography
Find out where London is on a world map and label countries near it.

Art
Create a painting by pulling paint up the paper. Then cut out houses and stick on top. If they go wrong don't worry they look like houses which are falling down.

DT
Use junk modelling to make a house from 1666. You can add flames to it so that it looks like it is on fire!

Computing
WORD. Create a poster about the famous buildings in London. Copy and paste pictures on to WORD Make sure each picture has a title and an explanation.

RE
Visit a special place of worship in your local area in London and find out some facts about it.

PSHCE
Staying safe at home: Write or draw a list of all the things your adult can do at home and what you can do at home without an adult.

What an adult can do at home	What I can do on my own at home

PE
Go to the park with a ball or beanbag. Can you create a game where you score points? Try and use ball skills such as throwing, catching, rolling and kicking.

RRSA

Article 13
The right to express your thoughts and opinions.

What opinions do you have about school? What do you think about what happens at school each day? Would you change anything? Tell your friends your ideas.

Choose 1 activity each week to complete at home. You can bring your completed work to school, where it will be displayed in your classroom.
