

An afternoon of cycling fun at Osidge Library

On 19/03/20 Osidge Library has an afternoon of cycling fun! From 4.00-4.45pm & 5.00-5.45pm we have two ditch the stabilisers sessions for ages 5 upwards. Parents will need to bring their children's bikes with the stabilisers taken off & cycle helmets. To book a place, email libraryevents@barnet.gov.uk & give us your preferred time slot

We have 'Dr Bike' in attendance from 16.00-18.00pm for basic cycle repairs. Dr Bike will operate on a first come, first served basis.
