30 hours extended early years entitlement for eligible three- and four-year-olds

Dear parents,

We are currently offering a limited number of places of 30 free hours of early education a week in our nursery class. These hours are to be taken between 8.30am and 3.15pm during term time only.

This is an entitlement for working parents of 3 and 4-year-old children. It is an additional 15 hours per week entitlement to the existing 15 hours free early education place.

If a parent chooses to take the full 30 hours, the morning session will run from 8.30am until 11.30am and the afternoon session 12.15pm until 3.15pm. There will be a daily charge of £6.00 for lunchtime supervision cover. Parents will need to provide a packed lunch for their child.

You can check your eligibility by using the government's Childcare Choices website <https://www.childcarechoices.gov.uk/> or the Childcare Calculator <https://www.gov.uk/childcare-calculator>

If you are eligible, you will be directed to the digital childcare service to apply and receive your unique eligibility code. We will need this code, together with your National Insurance Number and child's date of birth, to enable us to verify your eligibility with the DfE's Eligibility Checking System.

If you are eligible and interested in taking up our offer of 30 hours of early education, please complete and return the attached form to the **school office** as soon as possible. The offer is on a 'first come, first served' basis, therefore, a 30 hours place cannot be guaranteed. We will inform you if your application is successful within two weeks of receipt.

Yours faithfully,

Emma Hurn
