# 5. Increased participation in competitive sport

- ❁ Unfortunately, due to Covid-19 there were not any competitive sports or tournaments to participate in.

# 6. Improve swimming levels

- ❁ Swimming lessons for each class bubble continued throughout the year, with regular cleaning taking place in between each lesson.
- ❁ Unfortunately, due to the need for increased cleaning, booster sessions were limited.
- ❁ In the Summer term, the morning swimming club & booster sessions began again, so children could reach the expected standard of swimming.
