| Policy adopted | November 2021 |
| Policy due for review | November 2023 |

Aim of the policy:

- To ensure that all packed lunches brought from home and consumed in school (or on school trips) provide pupils with healthy and nutritious food that is similar in quality to the food served in school, which is required to meet national standards.
- To make a positive contribution to children's health by encouraging healthy eating habits.

The packed lunch policy fits within a wider context of promoting a whole school approach to food and healthy eating.

The Policy:

- The school will provide appropriate & attractive facilities for pupils eating packed lunches.
- The school will ensure that fresh drinking water is readily available.
- The school will work with parents to encourage packed lunches to meet the standards listed below.
- As fridge space is not available, pupils are advised to bring packed lunches in insulated bags with freezer blocks where possible, marked with the child's name and class.
- The school will enable pupils eating packed lunches and pupils eating school lunches to sit together.
- Wherever possible all uneaten food and waste will be kept in the lunchbox and returned home with the child so that parents are able to monitor their child's food consumption.

Packed lunches should include:

- At least one portion of fruit and one portion of vegetables every day. Fruit & vegetables should be cut into appropriate sizes and grapes cut in half.
- Meat, fish, eggs or a non-dairy protein (e.g. lentils, kidney beans, chickpeas, houmous, falafel) every day.

- Dairy food such as milk, cheese, yoghurt, fromage frais or custard every day.
- Only water, fruit juice, milk, yogurt or milk drinks and smoothies to drink.

- Hot food should not be provided as part of a packed lunch. If you wish your child to have hot food, please order a school meal.

Special diets and allergies

The school recognises that some pupils may require special diets for medical reasons that do not allow for the standards to be met exactly. In this case we would ask that you speak to our Welfare Officer Mrs Celi so that she can liaise with our Assistant Head for Inclusion Ms Napthine so that a health care plan can be put in place.

Assessment, evaluation and reviewing:

- Packed lunches will be regularly reviewed by teaching staff and meal time supervisors
- Healthy lunches will be rewarded by stickers
- A note will be placed in any lunchbox which does not conform to the policy informing the parent.
- If a child continues to bring in items which are not permitted in a packed lunch, the item will be taken away and replaced with a piece of fruit and the parents informed. The parent will be able to collect the item at the end of the day.

Involvement of parents/carers:

- All children in Reception, years 1 and 2, are entitled to a free school meal under the government's Universal Free School Meal Scheme. The school encourages all parents to make use of this service. However, parents of pupils wishing to have a packed lunch are expected to provide a packed lunch that conforms to the packed lunch policy.
- The children's food trust have a range of suggestions for healthy packed lunches, please visit their website: <http://www.childrensfoodtrust.org.uk/childrens-food-trust/schools/schools-resources> a link is also available from the school website.

Dissemination of the policy:

- All school staff, including catering staff, will be informed of this policy and will support its implementation.
