

21st May 2019

Dear Parents and Carers,

Thank you for supporting your child to create an obstacle course for the UNICEF Playground challenge. It was great to see so many entries and different ideas!

The UNICEF and Eco Committees held a meeting to select a range of ideas for the obstacle course. All children will have the opportunity to use this course on Friday 7th June.

On this day we are asking for donations of money, which will contribute towards buying a variety of health essentials for children across the world. These essential items could include water purification tablets, antibiotics or emergency shelters.

On Friday 7th June your child can come to school wearing sports clothing or PE kit. Please make sure they are wearing suitable footwear.

Yours sincerely,

Mrs McDonough & Miss Nuttall
