

Year 6 Rainforest Home Learning

Science Research the functions of the heart and create a presentation about it. You could do this on Word, PowerPoint or make a poster.

PARTS OF THE HEART AND THEIR FUNCTIONS

History Find out about the indigenous people of the Amazon rainforest. How have their lives changed over time? What caused these changes?

Geography

Using an Atlas, create a map of

South America and locate the different countries. Identify any

countries that have a rainforest and mark these on your map using a key.

Art

Research the artist Henry Rousseau and create a fact file. Annotate an image of Rousseau's stating what you like and dislike about it.

DT Explore food / fruit from the more tropical countries. Be ready to discuss which was your favourite and why.

Computing Create a poster about being smart on the Internet.

<https://www.childnet.com/>

Coding for kids.
Download software for free.

RE Research different religious viewpoints on the deforestation of the rainforest. Think about why they have this viewpoint. Be ready to discuss what you have found out.

PSHE Read the scenarios below and write advice. *1. Your friend has been talking to someone online. He/She tells you they're going to meet up tomorrow.* *2. You've been playing an online game and someone you don't know asks to be your friend.*

RRSA Article 27 The right to a good standard of living that meets a child's social and physical needs and support development.

Discuss what we mean by standard of living.

PE Listen to the music below. Imagine you are trekking through a rainforest. Create a dance sequence to show your journey. Think about how you would move through a rainforest and your facial expressions.
