Dear Parents & Carers,

I would like to invite you to the next parents coffee morning on **Tuesday 6<sup>th</sup> November 9-10 am** in the Family Room. The first this term was a real success and gave parents the opportunity to learn more about how we support children with special educational needs at Colindale Primary School.

We would again like to invite any parent in school who has a child with special needs or any difficulty. Your child may have:

- a physical difficulty
- a learning need
- an emotional difficulty

Your child may have a sibling who is not in this school with a difficulty, and we would welcome you to our group as well.

It was decided during the last coffee morning that parents would like to discuss how to relieve stress and how to take care of their own mental and physical health.

We will insist that anything discussed at the group will be treated in the strictest confidence. You are welcome to bring along a friend or interpreter.

If you have any questions, please do not hesitate to get in touch.

As the new Special Educational Needs Coordinator (SENCO), I am really looking forward to working with the parents and children at Colindale.
