4<sup>th</sup> March 2018

Dear Parents and Carers,

## RE: School Closure March 5th 2018

I am very sorry to have to tell you but, as communicated earlier today by text, the school will remain closed tomorrow 5th March 2018. This is because the once frozen pipes have now thawed and revealed huge cracks. This means that there is no water getting to the boilers, which therefore cannot work, resulting in the fact that we have no heating.

Engineers will be working to repair the pipes from first thing tomorrow morning and we hope to have the boilers working as soon as possible so the school can be heated. I will let you know the situation as soon as I know myself.

I am very sorry for the inconvenience this has caused.

Best regards

*Lucy Rodgers*
