

Year 3 Stone Age, Bronze Age & Iron Age Home Learning Activities

Science

Create a sediment jar! Follow the instructions on the link below.

<http://readscience.com/sediment-jars/>

History

Make a 3D timeline from the Stone Age to the Iron Age.

Geography

Find the seven different continents on a world map. Which is the biggest continent? Which is the smallest continent?

Art

<https://www.tes.com/teaching-resource/stone-age-cave-art-lesson-plan-11591141>

Create Stone Age Cave art

DT

Design & make an Iron Age roundhouse

Computing

Download Scratch – it's free.

Find out some interesting facts about the Stone Age, the Bronze Age or the Iron Age and make a quiz.

RE

Think of a piece of clothing that is special to you and explain why. How does it make you feel when you wear it?

PSHE

Create a poster for child cyclists. What should they wear? Where should they cycle? etc

PE

Practice skipping using a skipping rope. Count how many times you can skip without stopping. Can you keep a diary of how many skips you can do each day?

RRSA

Article 14
The right to practise your beliefs or religion as long as it doesn't affect others.

What does this mean to you? What do you believe in?

Choose 1 activity each week to complete at home. You can bring your completed work to school, where it will be displayed in your classroom.
