Dear Parent/Carers,

We have come across a limited amount of school stock uniform items from when we used to sell uniform ourselves. From this week we will be selling selected items of uniform at a heavily discounted price. The uniform will be sold online through ParentPay.

If you have not yet opened your ParentPay account you will need to do so ASAP. Should you require your ParentPay login details again please call the school office and a member of the team will organise this for you.

Please be aware that all transactions at Colindale Primary e.g. school educational visits, tickets for school events and lunches (year 3-6) are all processed through ParentPay. It is therefore very important that you activate your account. If you require any help in activating your account please contact the school office and we will assist you.

Once the items have been uploaded to ParentPay you will receive a text message notifying you that the items are ready to purchase.

Yours sincerely

Joan McCarthy
