

Head Teacher: Lucy Rodgers

Deputy Head: Wendy Wayland

19th June 2020

Dear Parents and Carers,

Update regarding the phased and gradual re-opening of Colindale Primary School.

I am delighted to let you know that the return to school for our Nursery, Reception, Year 1 and 6 children has gone extremely well. The children's behaviour has been excellent, with everyone sensibly following our new health and safety rules and engaging fully in their lessons. We now have a total of 181 children attending school, including those in our Key Worker groups.

Earlier this week the government asked schools to consider admitting further year groups, should we have the capacity to do safely and we have decided that at Colindale we are able to do this. Next Wednesday we will therefore be welcoming back Year 5 and if this is successful, we will consider opening to another year group before the end of term.

Home Learning will continue as it has been for those children who are not attending school and for those attending only part-time, accessible on the Home Learning page of the school website, with paper copies available every Friday afternoon and all-day Monday for collection from the school.

As soon as I have news of further developments either for this term or for next, I will let you know.

Lucy Rodgers, Headteacher
