

Year 5 Early Islamic Civilisation Home Learning Activities

<p>Science Experiment with chocolate, coffee and ice. With an adult heat or cool these and see if it creates reversible or irreversible changes. Take a photo and write about what you find out.</p> 	<p>History Use the link to the website below to help you to find out about Baghdad in 900AD. Create a multiple-choice quiz for your friends. https://www.youtube.com/watch?v=WVM1xEdp83Q</p> 	<p>Geography Research in which countries Islamic civilisation developed and label these countries on a world map.</p> 	<p>Art Investigate Islamic Art patterns and try drawing some.</p> 
<p>DT Use resources to create coins similar to those in the Islamic Civilisation era.</p> 	<p>Computing Create your own Podcast. Make up some questions about a subject your family is interested in – the development of maths and science during the 7th century under the Islamic Civilization, the devastation of the rainforests, the threat of global warming... Ask a member of your family or a friend if you can interview them. Record the interview on to the computer (or phone). Listen to the interview – how could you improve the questions you ask so that you get more interesting answers?</p>	<p>RE Research about the Mosque. Find out the key features and what takes place there. Create a poster to display what you have found out.</p> 	<p>PSHE Watch Newsround, write your own version of a news story that interested you.</p> 
<p>PE Complete an exercise circuit of different exercises: e.g. sit ups, press ups, squats, lunges. Record how many you do each day, try to improve the number each day!</p> 	<p>RRSA Article 13 The right to express your thoughts and opinions and to get all kinds of information as long as it is not against the law. Should children be able to get any type of information from computers, books and T.V? Can we say anything we like about others? What could happen if we did so?</p>	<p>Choose 1 activity each week to complete at home. You can bring your completed work to school, where it will be displayed in your classroom.</p>
