

Year 1 Curriculum Overview Summer term 2024

Class 1T, 1A & 1CH

This information tells you what your child will be learning this term in school. We really value your support and the help that you can give your child with their learning.

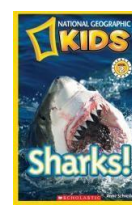

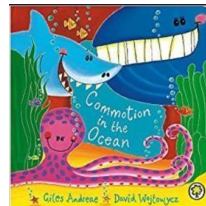

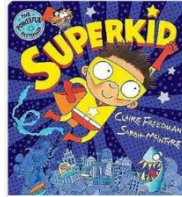

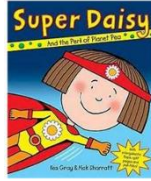

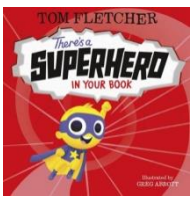

These are some of the things you can do:

- Request books from the local library so your child has a wider choice of books to read
- Help your child to learn spellings given to them and practice using them in different sentences
- Practice forming capital letters and lower-case letters correctly
- Read with your child every day for at least 10 minutes
- Practice mental maths for 10 minutes every day e.g., counting forwards and backwards to 50 and beyond, counting in 2s, 5s or 10s.

The curriculum

Our focus this term in English:

This term we will be focusing on superhero stories, poems and non fiction information based on sea animals.

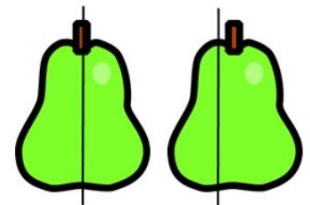

We will:

- Read and retell each story orally and focus on new vocabulary learnt
- Create our own versions of the stories by changing the characters or settings
- Read and perform poems
- Write poems about animals that live in the sea
- Read non-fiction books and information on sea animals
- Create fact files about an animal from the sea
- Continue to learn how to correctly form lower case letters and capital letters of the correct size and orientation
- Learn to use capital letters, finger spaces, full stops, question marks and exclamation marks in writing
- Use 'and' or 'because' to extend sentences

In Maths we will be learning to

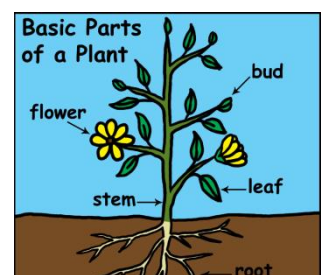

- Count to and from 100 starting at any given number
- Adding and taking away numbers up to 100
- Solve problems involving multiplication and division, e.g. through counting in 2s, 5s, 10s and using arrays
- Recognise and find half and quarter of an object, shape or quantity
- Recognise the value of coins
- Read the time to the hour and half hour
- Describing position, direction and movement
- Measuring volume/capacity
