

## YEAR 3 SPANISH HOME LEARNING IDEAS

Please find below links to interactive websites where children can listen and practice the Spanish vocabulary and structures that we will cover in lessons. Learning another language in year 3 is all about speaking and listening, so going onto these websites is a great home learning reinforcement.

Further suggestions for Spanish Home Learning: Using the links below, children can create posters, comic strips, make their own language games, PowerPoints where they can insert their voice to practice pronunciation or present their learning in any other creative way. They can then bring their work into school to share it with the rest of their class and to celebrate their learning and effort.

Autumn	Spring	Summer
