At Colindale, we provide all the resources your child needs to learn in the classroom. However, we have suggested a number of books, which we have carefully chosen, that you may like to purchase to help with home learning. The books are linked to topics your child is learning about this academic year. These books can only be ordered in the first week of every new term from the school office and paid via your ParentPay account. Orders can take up to two weeks to be delivered.
