FLU IMMUNISATION

Dear Parents,

Please find in your child's book bag a consent form for the forthcoming flu immunisations that will be carried out in school on 14th October 2019. There is no injection involved, the children are given a small spray into their nostrils, and the process is over within approximately 2 minutes.

Flu immunisations are very important and can protect your child from a lengthy and unpleasant illness.

Please complete and return your consent forms to the school office by Tuesday 8th October 2019.

Many thanks.
